

# KALINGA FELLOWSHIP

1<sup>st</sup> October 2020 – 31<sup>st</sup> March 2021

The **Kalinga Fellowship** is a programme that brings together progressive leaders from business, government and civil society to facilitate breakthroughs in thinking and action in combatting human trafficking.

## 2020-2021 FOCUS

**How can the leaders of government, business and civil society come together to combat human trafficking?**

*This is a virtual programme involving 2.5 hour sessions every week for six months.*

## The Programme Teams

There are five teams dedicated to implementing the breakthrough solutions. These solutions have been proven to move the needle on combatting human trafficking. Now is better than new.

- 1. The Power of Technology and Data** – to create the first truly multi-sector information sharing platform. **Strategic partners:** IBM & Traffik Analysis Hub.
- 2. The Financial Coalition** – to bring leaders of banks and the financial industry together to disrupt the economies of trafficking. **Strategic partners:** The International Centre for Missing & Exploited Children and Halotrade.
- 3. Zero Tolerance to Child Marriage** – to enrol millions of young people in creating a zero tolerance to child marriage. **Strategic partners:** Mission Better Tomorrow & the Government of Telangana.
- 4. Next Generation Policing** – to implement the very best global practices of policing across the whole police force. **Strategic partners:** Kerala and Telangana Police, Mission Better Tomorrow and the Student Police Cadets.
- 5. The First Responder** – to roll out an awareness to last-mile families and communities across India of the true nature of human trafficking. **Strategic partner:** FXB India Suraksha.

## The Six-Month Programme

Each team will embark on a six-month programme, optimising the solutions, and implementing into the world through test-and-learn cycles, starting on 2<sup>nd</sup> October 2020. The focus of each team will be on action and impact.

The programme teaches and utilises progressive leadership and strategy tools. It is facilitated by experts from **BRIDGE** and the **Bridge Institute**.

Each delegate will be supported and trained to transform their personal agency, mindsets, behaviours and capabilities to develop their societal leadership.

The IBM and Traffik Analysis Hub have already started a significant landscape study of trafficking in India. This will be complete at the end of September 2020 and support all the streams.
